The East Coast Trainer Challenge returns to Equine Extravaganza with a star studded cast!

### The Competition

Natural horsemanship is a skill and an art. Don't miss this exciting trainer challenge in which these three exceptional trainers demonstrate their natural horsemanship skills as they work with young horses to get them ready to accept a saddle and rider. Trainers will be evaluated on their ability to advance the horses as far as the horses' individual capabilities will allow while keeping the horse calm, attentive, and engaged.

### Three Trainers

**Chase Dodd**

**Tommy Garland**

**Brock Griffith**

### Three Untouched Horses

Each trainer will work with a young, untouched horse provided by Virginia Sport Horses whose horses are known for their strength, stamina, athleticism, grace, and versatility, making them excellent choices for virtually any equestrian sport. The trainer challenge horses will be available for purchase from **Virginia Sport Horses**. Visit them in the Breed Exhibit Barn.

### Three Days

Each trainer will have a one-hour training session with their horse each day of the Expo. Trainers will work simultaneously and will be encouraged to explain the techniques used and what challenges and changes they see in their horses.

### You Be the Judge

The audience is invited to participate in the judging by voting for the trainer who demonstrates the most effective use of natural horsemanship skills and makes the most progress.

### The Final Contest

Sunday following the final training session each trainer will showcase progress made by taking their mount through an obstacle course.

Attend all three days...
